With each call-up to one of the individual pages of our Site, which is operated by PIA Advertising BER

LinkedIn component of LinkedIn. Further information about the LinkedIn plug-in may be accessed under <https://developer.linkedin.com/plugins>. During the course of this technical procedure, LinkedIn gains knowledge of what specific sub-page of our website was visited by you.

If you are logged in at the same time on LinkedIn, LinkedIn detects with every call-up to our website by you—and for the entire duration of their stay on our Internet site—which specific sub-page of our Internet page you visited. This information is collected through the LinkedIn component and associated with the respective LinkedIn account of you. If you click on one of the LinkedIn buttons integrated on our Site, then LinkedIn assigns this information to the personal LinkedIn user account of you (in case you have a LinkedIn account) and stores your personal data.

LinkedIn receives information via the LinkedIn component that you visited our Site, provided that you are logged in at LinkedIn at the time of the call-up to our website. This occurs regardless of whether you click on the LinkedIn button or not. If such a transmission of information to LinkedIn is not desirable for you, then you may prevent this by logging off from your LinkedIn account before a call-up to our Site is made.

LinkedIn provides under <https://www.linkedin.com/psettings/guest-controls> the possibility to unsubscribe from e-mail messages, SMS messages and targeted ads, as well as the ability to manage ad settings. LinkedIn also uses affiliates such as Eire, Google Analytics, BlueKai, DoubleClick, Nielsen, Comscore, Eloqua, and Lotame. The LinkedIn Cookie Policy and the denial of cookies is available under <https://www.linkedin.com/legal/cookie-policy>. For information on the purpose and extent of data collection, the further processing and use of such data by Facebook, as well as your rights in this regard and your setting options for the protection of your privacy, please refer to Facebook’s privacy policy: <http://www.facebook.com/about/privacy>.

If you are a Facebook member and do not want Facebook to collect data on you via our website and to combine such data with your Facebook membership data, you need to log off from Facebook before accessing our website. Furthermore, you may also block social plugins by downloading and installing add-ons for your browser, such as the Facebook blocker: <http://webgraph.com/resources/facebookblocker/>

c. Data protection provisions about the application and use of Twitter

PIA Advertising BER has integrated components of Twitter on their Site. Twitter is a multilingual, publicly-accessible microblogging service on which users may publish and spread so-called ‘tweets,’ e.g. short messages, which are limited to 140 characters. These short messages are available for everyone, including those who are not logged on to Twitter. The tweets are also displayed to so-called followers of the respective user. Followers are other Twitter users who follow a user's tweets. Furthermore, Twitter allows you to address a wide audience via hashtags, links or retweets.

The operating company of Twitter is Twitter, Inc., 1355 Market Street, Suite 900, San Francisco, CA

With each call-up to one of the individual pages of our Site, which is operated by PIA Advertising BER and on which a Twitter component (Twitter button) was integrated, the Internet browser on the information technology system of you is automatically prompted to download a display of the corresponding Twitter component of Twitter. Further information about the Twitter buttons is available under <https://about.twitter.com/de/resources/buttons>. During the course of this technical procedure, Twitter gains knowledge of what specific sub-page of our Site was visited by you. The purpose of the integration of the Twitter component is a retransmission of the contents of our Site to allow our users to introduce this web page to the digital world and increase our visitor numbers.

Twitter receives information via the Twitter component that you visited our Site, provided that you are logged in on Twitter at the time of the call-up to our Site. This occurs regardless of whether you click on the Twitter component or not. This information is collected through the Twitter component and associated with the respective Twitter account of you (if you have a Twitter account). If you click on one of the Twitter buttons integrated on our Site, then Twitter assigns this information to the personal Twitter user account of you and stores your personal data. If such a transmission of information to Twitter is not desirable for you, then you may prevent this by logging off from your Twitter account before a call-up to our Site is made.

PIA Advertising BER has integrated components of PayPal on its Site. PayPal is an online payment service provider. Payments are processed via so-called PayPal accounts, which represent virtual private or business accounts. PayPal is also able to process virtual payments through credit cards when a user does not have a PayPal account. A PayPal account is managed via an e-mail address, which is why there are no classic account numbers. PayPal makes it possible to trigger online payments to third parties or to receive payments. PayPal also accepts trustee functions and offers buyer protection services.

The European operating company of PayPal is PayPal (Europe) S.à.r.l. & Cie. S.C.A., 22-24 Boulevard Royal, 2449 Luxembourg, Luxembourg.

If you choose "PayPal" as the payment option for paying us for the Services delivered, we automatically transmit your data to PayPal. By selecting this payment option, you agree to the transfer of personal data required for payment processing. It is important to note that all PayPal transactions are subject to the PayPal Privacy Policy (<https://www.paypal.com/us/webapps/mpp/ua/privacy-full>).

The personal data transmitted to PayPal is usually first name, last name, address, email address, IP address, telephone number, mobile phone number, or other data necessary for payment processing. The processing of the invoice for the Services also requires such personal data, which are in connection with the respective Services delivered.

The transmission of the data is aimed at payment processing and fraud prevention. Qverse will transfer personal data to PayPal, in particular, if a legitimate interest in the transmission is given. The personal data exchanged between PayPal and PIA Advertising BER for the processing of the data will be transmitted by PayPal to economic credit agencies. This transmission is intended for identity and creditworthiness checks.

PayPal will, if necessary, pass on personal data to their affiliates and service providers or subcontractors to the extent that this is necessary to fulfil contractual obligations or for data to be processed in the order.

You have the possibility to revoke consent for the handling of personal data at any time from PayPal. A revocation shall not have any effect on personal data which must be processed, used or transmitted in accordance with (contractual) payment processing.

The applicable data protection provisions of PayPal may be retrieved under <https://www.paypal.com/us/webapps/mpp/ua/privacy-full> and https://www.paypal.com/ro/webapps/mpp/ua/privacy-prev?locale.x=en_RO.

- e. Payment Method: Data protection provisions about the use of Stripe as a payment processor

PIA Advertising BER has integrated components of Stripe on its Site. Stripe is an online payment service provider.

The European operating company of Stripe is Stripe Payments Europe Ltd., 1 Grand Canal Street Lower, Grand Canal Dock, Dublin, Ireland.

We use Stripe for payment, analytics, and other business services. If you choose "Stripe" as the payment option for paying us for the Services (pre-payment), we automatically transmit your data to Stripe. By selecting this payment option, you agree to the transfer of personal data required for payment processing. It is important to note that all Stripe transactions are subject to the Stripe Privacy Policy (<https://stripe.com/privacy>).

The personal data transmitted to Stripe is usually first name, last name, address, email address, telephone number, mobile phone number, credit card information, or other data necessary for payment processing. The processing of the invoice for the Services delivered upon the pre-payment also requires such personal data.

The transmission of the data is aimed at payment processing and fraud prevention. PIA Advertising BER will transfer personal data to Stripe, in particular, if a legitimate interest in the transmission is given. Stripe collects identifying information about the devices that connect to its services. Stripe uses this information to operate and improve the services it provides to us, including for fraud detection and creditworthiness checks.

You have the possibility to revoke consent for the handling of personal data at any time from Stripe. A revocation shall not have any effect on personal data which must be processed, used or transmitted in accordance with (contractual) payment processing. You can ask to review and correct personal data that Stripe maintains about you by sending a written request to privacy@stripe.com.

You can learn more about Stripe and read its privacy policy at <https://stripe.com/privacy>.
